LUXURY POSITIONING

Maison Garces is building saffron into a luxury pantry staple. Positioned alongside caviar, truffles, Champagne, and premium olive oils, our products are designed to command premium pricing and elevate the shopping and dining experience.

GROWING DEMAND

Interest in saffron is expanding as consumers embrace premium home cooking. Social media has introduced a new generation of home cooks to saffron, driving awareness beyond traditional markets.

PREMIUM PRODUCT

Whole Spanish saffron threads, harvested by hand and sourced directly from trusted producers. Only three saffron stigmas are harvested from each flower. Just a small pinch flavours an entire dish, delivering exceptional value.

EASY TO MERCHANDISE

A compact, high-value product with strong gifting appeal and minimal shelf space requirements. Easily cross-merchandised with olive oils, paella rice, seafood, wine, gourmet gift baskets, and recipe displays to encourage premium purchases.
